---

**Greetings Comrade(s)**

**Post 275 Updates.**

**A lot has been going on since the beginning of Legion Year 2023-2024. The Executive Committee along with many Legionnaires have been pushing ahead to turn things around for the Post. We are heading in the right direction, but we cannot do what we want to do without your support. In the midst of it all our Finance Officer Linda Foreman put in her resignation October 14, 2023. The Assistant Finance Officer Eric Waters resigned at the November Post Meeting on November 27, 2023. We are still trying to recover from this situation. We have an interim Finance Officer that we hope to add to our Executive Committee soon. I am asking that you each make a commitment to give a donation. Until we make clear what has happened in the Finance area of the Post we are in dire need of monetary support. There are several ways to support the Post. We have a very large Post and if each member would give a \$100 donation, we can save our Post and take away the debt that is holding us back. There are different activities we are able to do because our Comrades continue to make donations. The Post is looking to build a legacy in the near future. A place we can use together and with the other entities of the Post - the Legion Riders, the SAL, and the Auxiliary. There are many people working behind the scenes donating to make sure we have**

supplies to have our All You Can Eat breakfast on Saturday and many volunteers to work in the kitchen and the bar area to ensure everything runs smoothly. We have a line dance instructor who is volunteering his time to teach and all donations for the class go to the Post. Our bartenders work for tips only. There are people who volunteer hours on a daily basis to ensure the doors will open. Our Post is equipped with enough members that can help financially or can volunteer their hours and become a more active member of this Post. If you have any questions or would like to donate money or your time, please send me an email or reach out to me. If you have a special area of expertise that can help enhance our Post, we need your help. Post 275 is on the move to build back better, to grow a greater following and to show the American Legion family from the District to National level that we are ready and on the move. Let's get 100% membership by December so none of our members will be put in the holding post in January/February because they did not pay their dues. Let's all participate and make it happen together!

Commander Maxent would like to thank all for their continued support in our quest to get our finances under control. The Commander and the Executive Committee would like to see more people attend and participate in the Post activities and the Post Meetings. You can and do make a difference!

Thank you

---

#### NOVEMBER UPDATES

Monday Shotgun Bingo 7pm

Tuesday Karaoke 8pm

Wednesday 1st and 4<sup>th</sup> Line Dance Class, \$5 Donation

Thursday DJ night

Friday DJ night

Saturday DJ night

Sunday currently we are not open. We want to be open, but we do not have the finances or workers to support this activity. We need some volunteers to work in the kitchen and the bar.
