In the meeting on April 22, 2024 we opened the floor for nominations for all the positions of the Executive Committee. Each position was called but many slots did not have nominations. There was a motion on the floor to extend nominations until May 10, 2024, it was unanimously passed by the body. 2nd Vice Commander Clemmons announced she would be the Chair for the Election Committee. In the mean time there has been issues with both the Gmail account and the Mailchimp accounts while trying to send out these updates. . I do not know at this time who has gotten an update and who has not. What we do know is that every Memorial Day we have our Memorial Day Program program and our Election.
