Good evening, Comrades

Commander Maxent has confirmed that due to the snow conditions Post 275 will be closed the following days for the safety of our staff, members and guests:

January 6, 2025 Monday

January 7, 2025 Tuesday

January 8, 2025 Wednesday

The Post will continue operations on Thursday January 9, 2025, at 4:00pm if safety recommendations are approved by the Governor.

On Friday, weather permitting, we will continue with our DJ night on January 11th and Supa B will be celebrating his 50th Birthday so it will be a big party night. We will have music flowing from the back to the front. Multiple DJs will be covering the night to include DJ Joe, DJ Black and introducing DJ Hypnotic to the mic at Post 275. There will be no coverage charge to get in. By Friday we will all want to get out and come to the "House Party" at 275!

Happy New Year and continue to support Post 275! Thank you!

Keep warm and stay safe
